Intermediate (B1)

Maksim Sotnikov
Frontend Developer

MaksimkaSota@gmail.com   +375296370610   Minsk, Belarus

I know that I can do something better and more interesting than what I am currently doing, so web development is the best option for me and my self-development. I have many useful skills for this.

I strive to gain new experience and improve my skills. I hope I can convince you of my abilities and motivation to work and learn.

Education

Sep 2022 - Mar 2023
The Rolling Scopes School
